CHAPTER 23

REVIEW QUESTIONS

1. How did the widespread use of automobiles change American society in the 1920s?

2. What role did new communication technologies play in the development of mass culture?

3. What values and beliefs did Harding and Coolidge share?

4. What explains the resurgence of the Ku Klux Klan in the 1920s?

5. What were the most important issues in the election of 1928?

DISCUSSION QUESTIONS

1. Can you make a connection between the economic policies of the 1920s, and those of the progressive period?
2. How did the automobile transform American society? How would people respond to those changes?
3. The text refers to a “new mass culture.” What was it? How would people respond to it?
4. It is easy to condemn the Ku Klux Klan. But why were people joining it in such large numbers? Can you connect the KKK to other movements of the era?
5. The text describes the debate between feminists who wanted to promote women’s opportunities by passing protective legislation, and those favoring the equal rights amendment. Who do you think has the better argument?
